TUTT'S PILLS

TORPID BOWELS, DISORDERED LIVER, and MALARIA.

From these sources arise three-fourths of the diseases of the human race. These symptoms indicate their existence: **Loss of Appetite, Bowels costive, Sick Headache, fullness after eating, aversion to exertion of body or mind, Eructation of food, Irritability of temper, Low spirits, A feeling of having neglected some duty, Dizziness, Fluttering at the Heart, Dots before the eyes, highly colored Urine, CONSTIPATION,** and demand the use of a remedy that acts directly on the Liver. As a Liver medicine **TUTT'S PILLS** have no equal. Their action on the Kidneys and Skin is also prompt; removing all impurities through these three **"scavengers of the system,"** producing appetite, sound digestion, regular stools, a clear skin and a vigorous body. **TUTT'S PILLS** cause no nausea or griping nor interfere with daily work and are a perfect

IN AND OUT OF TOWN

What is Being Said and Done in a Small Way.

To-morrow will be Thanksgiving Day.

D. H. Haskell was in town yesterday.

Ed Davis, proprietor of the City Hotel, has quit.

Ed. Bass has sold his cattle to Mrs. Howard.

All the State officers are now at their posts of duty.

Mr. Jacobs came in yesterday from Surprise Valley with a drove of hogs.

The Emmets don't seem to be taking much stock in Mr. J. R. King's shooting challenge.

Ed Bass, who has been sojourning for several days in Reno, left yesterday morning for his home in Lassen.

Will U. Mackey, one of the best printers in the State, is visiting Reno, work in the State office having given out.

A Virginia mill man is negotiating with Mason Valley men for a mill site upon which to erect a first class flouring mill.

According to the account of a resident of Silver City the last three cottages in that town are being torn down to be carted off to Hawthorne.

The entire length of the Carson and Colorado Railroad in the State of Nevada, is 192 miles, leaving 101 miles in California.

The weather is delightfully pleasant. Just cold enough to make an overcoat comfortable, and not cold enough to be disagreeable in or out of doors.

R. H. Lindsay will leave for Churchill county Friday, having some law business to attend to at Stillwater next Monday. He expects to be down there for several days.

Roast turkey, cranberry sauce, chicken, Boston brown bread, baked beans, plum pudding, mince and pumkin pie at the W. C. T. U. on Thanksgiving day.

E. J. Parkinson, the editor of the Carson Tribune, is confined to his bed by a severe attack of nervous prostration. It is hoped that he will soon be able to be out again.

N. S. McKenzy, of the Lassen Advocate, is in Reno and will remain until after Thanksgiving in order to take dinner with Justice Young, the old time friend and companion of his father in the early days of California.

General H. L. Willey, Surveyor-General of California, and Registrar of the State Land Office, passed through Reno yesterday morning for Washington on official business connected with the land interests of his State.

The Carson and Colorado Railroad has paid, as taxes, the sum of $21,053 34 into the Esmeralda county Treasury. The length of road bed in that county is 158 45-100 miles, and was assessed at $4,000 per mile. There are 7¾ miles of side track, which was assessed $1,750 per mile.

BREVITIES.

Newt. Jacobs is in from the northern country.

Trainor is here from the Bay buying horses.

Mr. Steere and wife returned to Oakland yesterday.

J. F. Myers and Chas. Thrall returned from the Bay yesterday morning.

Tom Clark and Lee Wentworth came down from Virginia yesterday.

Bishop Whitaker is expected home from the East sometime this week.

Wm. Petree, of Surprise Valley, was on the streets yesterday.

An arrest of judgment will be asked for in the Holmes-Northern Belle matter.

Judge Boardman is on the sick list again and has adjourned Court until Saturday.

Charley Becker is arranging for a big lay-out on Thanksgiving day. The programme will bh announced to-morrow.

You will find turkeys, chickens or anything else desired for a Thanksgiving dinner at Leadbetter's. *

If you want to get clothing made up in the latest styles and of substantial material go to the White House. *

Dr. Hogan left at a very early hour yesterday morning for Sierra Valley, to attend a man by the name of Ralston, who is dangerously ill.

The Carson Tribune says it is estimated that the monthly disbursements in Carson by the railroad company, the Mint, the State and the county, will exceed $70,000.

A wild goose, weighing 13½ pounds, was killed on Washoe Lake last Sunday. It was presented to Maurice May, who will have it served up for Thanksgiving dinner at the Lafayette Hotel.

Hank Knight, the most popular drummer in the State, is on a business visit to Reno. Dealers ordering from Hank are assured of the squarest kind of a deal.

Ed Davis, former proprietor of the City Hotel, has turned the business over to Jas. Bradley. Any person having baggage in the hotel can get the same by applying to Mr. Bradley.

The bondsmen of Treasurer Nevin, of Storey, have reached the logical conclusion if they have a chance to win in the Courts they will resist payment of the deficiency; if not, they will pay up.

The supper for the Hose Company's dance will be given at the Reading Rooms to morrow evening. A delightful hot turkey supper will be served at 11:30 P. M., for fifty cents a head.

The Attorney General has decided that bills contracted by School Trustees in excess of the funds on hand cannot be paid out of school money coming into the Treasury subsequent thereto.

Officer Nash made an unsuccessful effort to arrest a man whom he caught in the act of giving whisky to Indians Monday night. The fellow saw the approach of the officer in time to run, and refused to obey the command to stop, although emphasized by the report of a pistol.

William Davis, one of the old time Reno boys, who is now in the blacksmith business on the Comstock, was in town yesterday taking a little recreation and shaking hands with old friends. William is a good boy, and deserves his full share of the good things in this life.

The Appeal says that Combs, convicted here at the last term of the Court for the murder of Ross at Carson, has been placed in charge of the inner gate at the State Prison shoe shop. He is said to be fully resigned to his fate and performs his duty faithfully.

A young man who has been at work near Lovelocks all Summer, found his way to Truckee last week, and the first night got "boozy," drifted into a disreputable portion of the town, where he was robbed of his money and badly bruised up.

The curfew ordinance does not seem to work entirely satisfactory. To have the streets full of noisy boys at a late hour was bad enough, but the unmerciful ringing of the bells to drive the boys off of the street is becoming more intolerable than the racket of the unruly boys, and already a move is on foot in Carson to have the bell muffled.

The Carson Tribune says that one ground upon which the Northern Belle Mining Company will ask for a new trial is that the jurisdiction in the case is confined to the District Court of Esmeralda county, where the alleged trespass took place. This is a point raised by Judge Garber on behalf of the Northern Belle, and 'tis said to be regarded as very strong by the opposing counsel.

A Strange Custom.

A Chinese dignitary informed a reporter yesterday that the time of the year had arrived for the Chinese to commence the work of exhuming and shipping to China the bones of their dead countrymen. He says the companies in San Francisco employ men for this purpose, and instruct them to do their work in such a way as to attract as little notice as possible. All the bones not removed in time to reach China before the next Chinese New Year must rest until next year. A corps of celestial bone-exhumers are expected in Reno in a few days to look at the Reno burying ground.

On the Down Grade.

Speaking of the misfortunes of Hank Rhodes, who was sent to the Asylum for treatment a few days ago, the Truckee Republican says: "Years ago Hank was cashier and bookkeeper for Church & Hawley, when Truckee was the liveliest town between Sacramento and Ogden, at a salary of $250 per month, and his future was bright and promising. He was possessed of a liberal education, and his business experience gave him a standing that any young man might well have been proud."

For the Children.

Treasurer Boyd has reported to D. Allen, County Superintendent of public schools, that the school fund is credited with $13,609 09 from the county, and Mr. Allen has apportioned the fund as follows:

Franktown, District	No.	1....	$ 715 43

The Illinois State Normal School Destroyed by Fire.

The State Normal University of Illinois, located at Carbondale, and one of the finest buildings in the State, was destroyed by fire on Monday. Prof. Foster, Principal of the Reno public school, held a Professorship in that school for many years, and resigned last Spring to accept the position offered him by the Trustees of this school district. Some of the dispatches located the school at Cloverdale, which is a mistake.

For Washoe Lake.

A new lapstreak keel boat was tried last Monday in Oakland Creek. She is twenty feet long and was built by Farmer to be shipped to Washoe Lake, where she will be used by the Nevada State Fish Commissioner. The boat has a "sliding gunter" rig, which is something unusual here on so large a boat. She is quite high out of water, and, having sharp bilges, seems to carry sail well without ballast.

Palace Restaurant.

A cordial welcome is always extended to all who call at the Palace restaurant, either for lunch or a square meal. On the tables will at all times be found the best obtainable in our markets. There is a separate dining room for ladies and families, and the attendance will be found all that could be desired. Lemery & Fontaine are still at the helm, which is all that old patrons of the place will care to know.

A Card.

William Pinniger tenders his best thanks to his numerous friends, and the public generally, for the very liberal support accorded him in the past, and he begs to inform them that he has again effected a co-partnership with R. E. Queen, at the old stand, and respectfully invites a continuance of their patronage. The new firm have added largely to their stock of drugs, chemicals, patent medicines, wines and liquors for medicinal purposes; toilet and fancy articles, etc. In the dispensing departments they make a specialty of physicians' prescriptions and family receipts, bringing to their already large experience the latest achievements in scientific pharmacy, and are prompt in filling all orders intrusted to them.

Spencer Gives $125,000 Bonds.

A Washington dispatch of the 26th says:

Ex Senator Spencer was brought before the Criminal Court to answer for contempt for failing to appear in the Star route cases. Ex-Secretary Boutwell, counsel for defendant, moved to dismiss for want of jurisdiction. Merrick and Bliss opposed the motion. Judge Wylie decided to hear the argument. At the conclusion of the argument the Court overruled the motion of counsel for defense. Spencer gave bonds to appear in $125,000, and was accorded the privilege of purging himself of contempt by affidavit.

Fatal Quarrel About a Cabin.

A miner just arrived in Eureka, from Long Valley, says Wm. Norris was killed in that place on Friday by Doc Wheeler. Wheeler purchased of Frank Mooney the cabin formerly occupied by Norris, who threatened to kill Wheeler unless he vacated the same. Norris came to the cabin on Friday three times, and made sounds to attract Wheeler's attention. The third time the door was opened by John Cassidy, and Wheeler shot Norris with an army rifle. Norris died immediately. When deceased fell he had a firm grip on a Colt's revolver. Several witnesses claim the shooting to be in self defense. Norris was looked upon as a dangerous character. Wheeler gave himself up to the authorities.
